

This craft can be used to learn the names of each body part.  
This craft can take between 10-15 minutes to complete.  
Younger children may need supervision and assistance when using scissors and fasteners.

## What you will need:

- Scissors
- 9 Fasteners

**1**

## Step 1

*Cut out the skeleton parts (page 2).*

**2**

## Step 2

*Using your fasteners, link each joint to its corresponding body part.*
