

INSTRUCTIONS:

1. Cut out the image.
 2. Glue the image to your jumbo popsicle sticks.
TIP: add some tape to the back of the sticks to keep them held together while you glue.
 3. Write the numbers 1-10 on the bottom of the popsicle sticks.
 4. Cut between the jumbo popsicle sticks to make the pieces of your puzzle!
- * Please note: Your puzzle may be a different size depending on your printer settings and the size of your popsicle sticks.
