

## INSTRUCTIONS:

1. Cut out the image.
2. Glue the image to your jumbo popsicle sticks.  
TIP: add some tape to the back of the sticks to keep them held together while you glue.
3. Write the numbers 1-5 on the bottom of the popsicle sticks.
4. Cut between the jumbo popsicle sticks to make the pieces of your puzzle!

\* Please note: Your puzzle may be a different size depending on your printer settings and the size of your popsicle sticks.
