

Let's make a goblin mask to wear!

What you will need:

- Goblin mask template (page 2)
- Scissors
- String/elastic string
- Coloring utensils

Print on cardstock or thick paper for structural durability.

1

Step 1

Print, color, and cut out the goblin mask template on page 2. Do not forget to cut the **x** on the ears!

2

Step 2

Loop your string through the **x** in the goblin mask ears.

3

Step 3

Fit the mask to your head before tying the string.
Cut off the excess string.
