

One day, the Three Bumble Nums Gruff were on their way to have a picnic in the meadow across from the orchard.

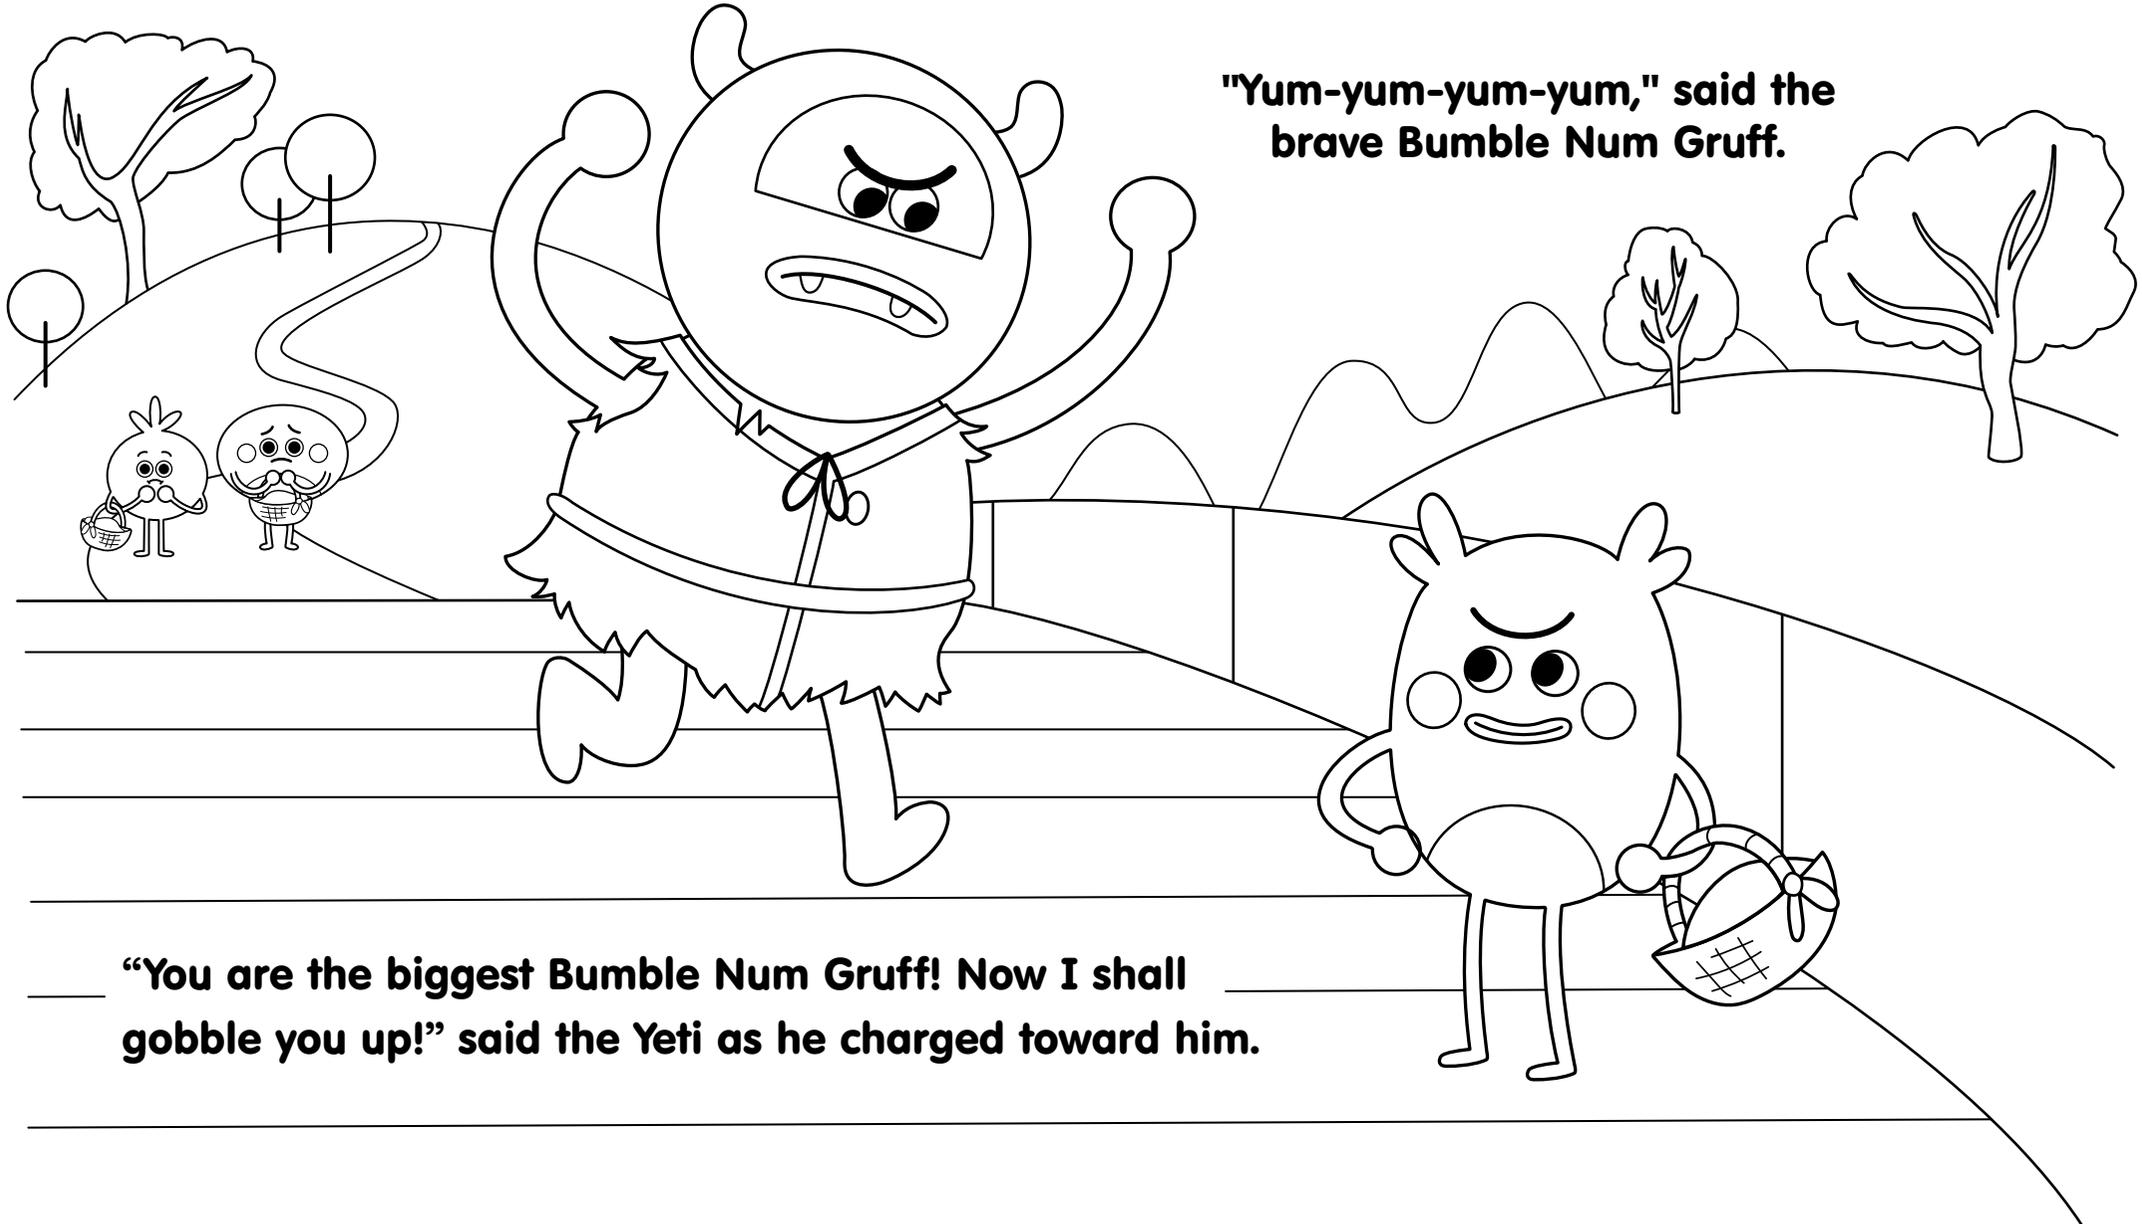

As he skipped along the bridge a voice called out:

“Who is that coming over my bridge?”

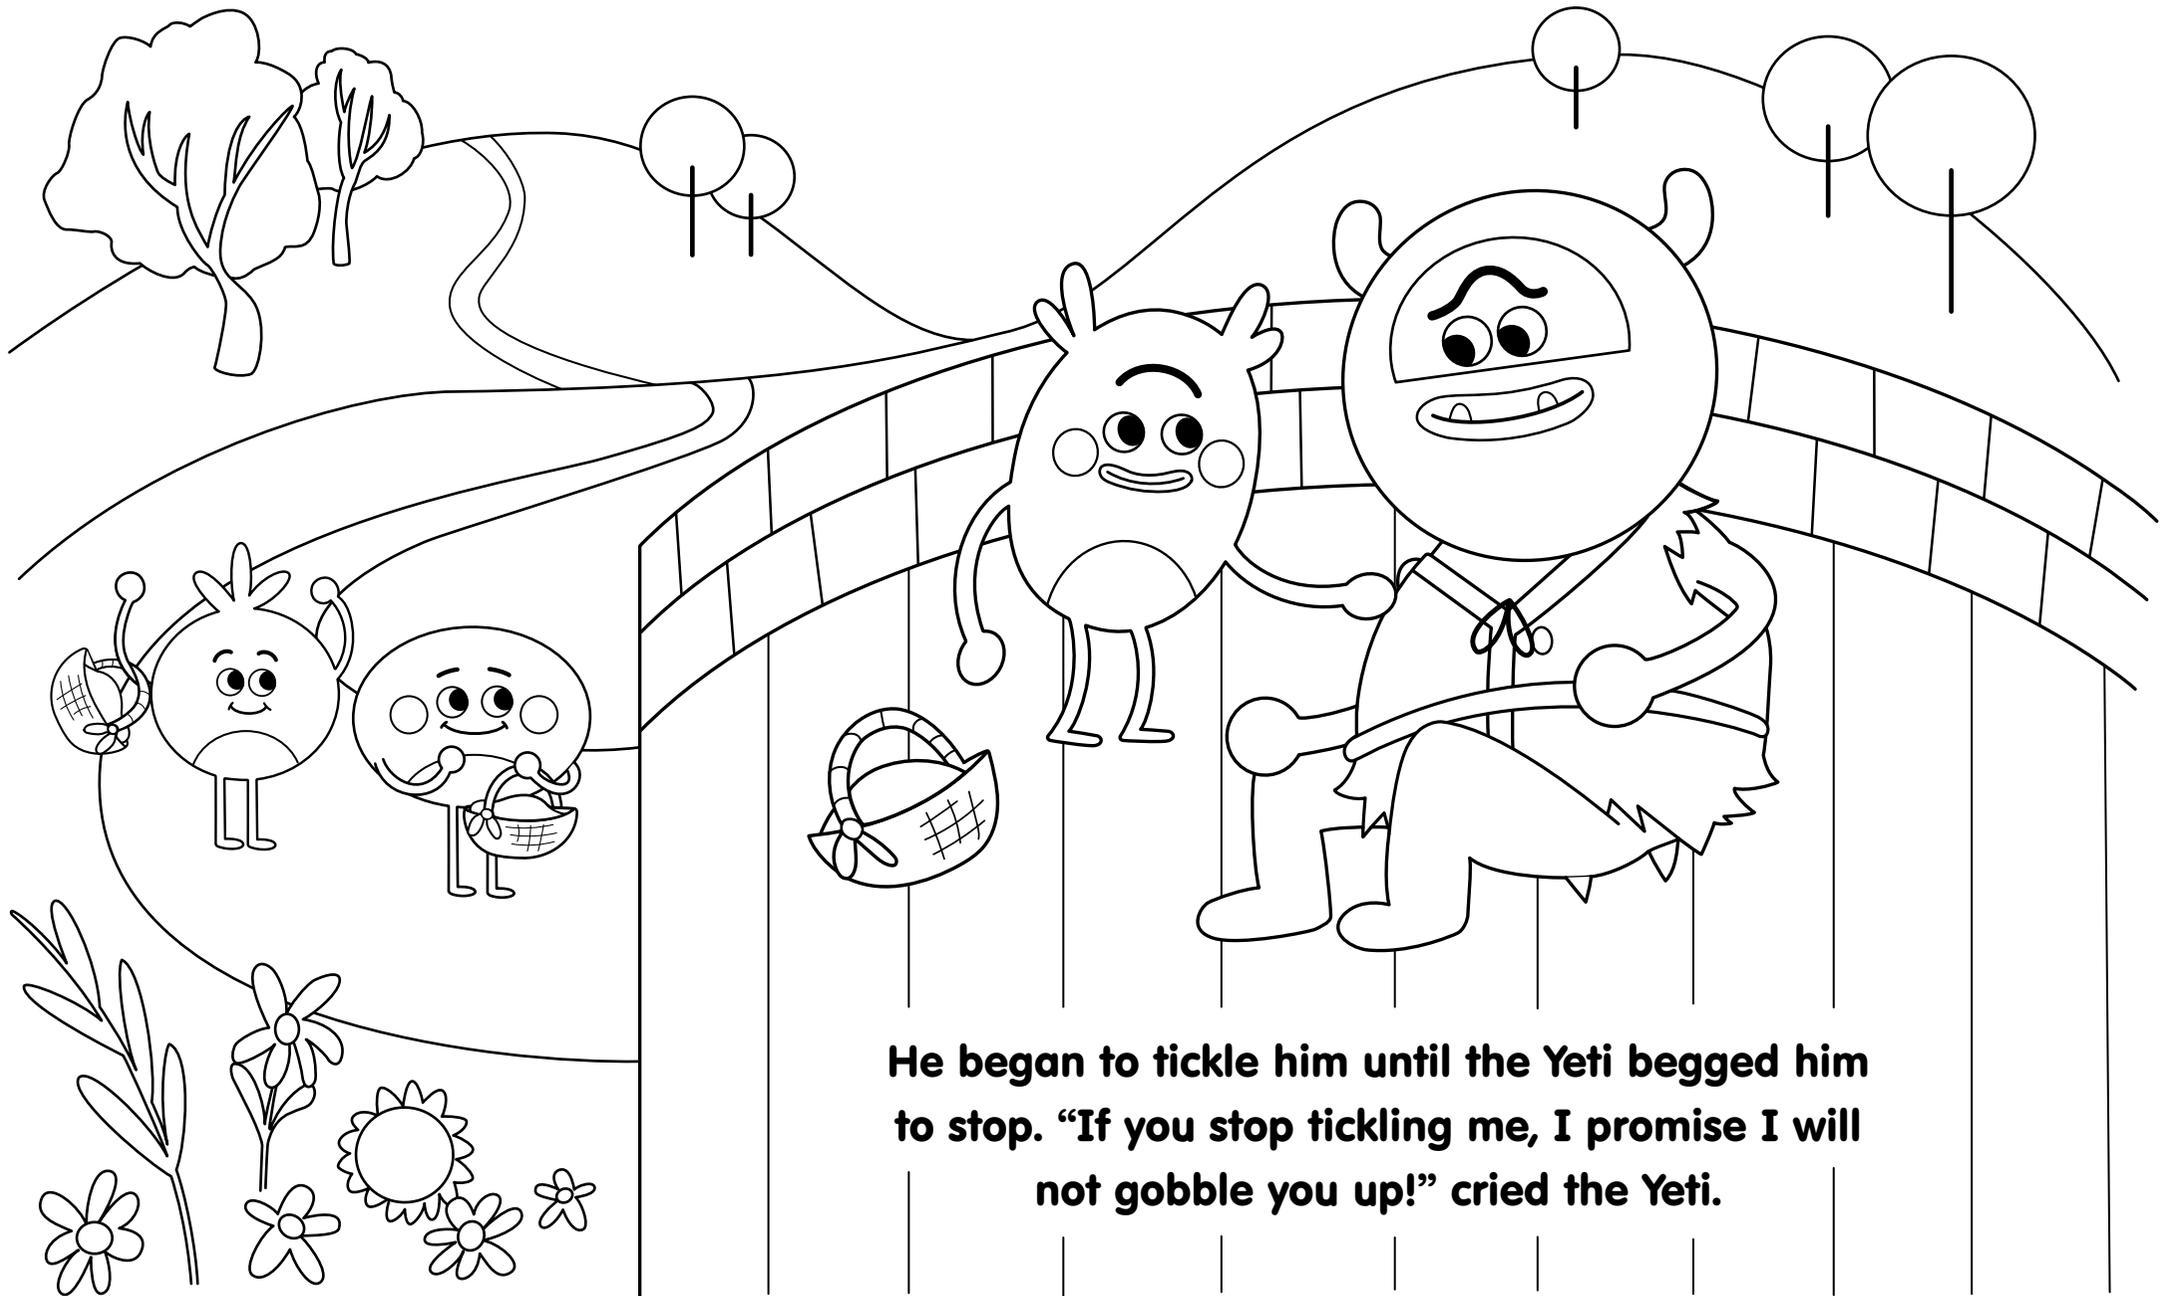

**The smallest Bumble Num Gruff froze and looked around
to find a big, angry Yeti that lived under the bridge.**

"Yum-yum-yum-yum," said the brave Bumble Num Gruff.

"You are the biggest Bumble Num Gruff! Now I shall gobble you up!" said the Yeti as he charged toward him.

He began to tickle him until the Yeti begged him to stop. “If you stop tickling me, I promise I will not gobble you up!” cried the Yeti.
