

My name is

A matching exercise for children. On the left, there are six colorful illustrations: a pineapple, a tomato, a brown basket, a green tree, a yellow donut, and an orange. On the right, there are six black silhouettes of the same items: a tree, a tomato, a pineapple, a basket, a circle, and a donut. A dashed line connects a red dot next to the pineapple illustration to a red dot next to the pineapple silhouette. Each illustration and silhouette has a red dot next to it for marking.
